

BOMB GUN, INVENTED BY PACIFIST, MOST DEADLY

LONDON, April 5.—A deadly machine gun that sends up into the air, like a flock of lead pencils, a flight of bombs which sail down on their object with unusual accuracy and terrific explosive effect, has been affording the British army in France a great deal of satisfaction. Officers and men have said it is much the most effective short-range weapon thus far developed. It is known as the Stokes gun, taking its name from Wilfred Stokes, inventor.

Stokes is a kindly looking iron manufacturer, who says that until this war he had never wished to invent a gun that would do so much as muss a man's eyebrow.

WASHINGTON April 5.—Millions in money, thousands of men, untold effort and the inventive genius of the country is today centered on battering down the U-boat menace.

This nation will raise a great army. And it will prepare for possible clash of dreadnaught against dreadnaught, but by the President's words, chief effort and industry and expenditure of money will be employed in hunting down the undersea terrors.

Government officials frankly admitted this fact today. They warned against insufficient means of striking at the U-boat peril and implied that the "brains of the navy" are being supplied to the solution of this, perhaps the greatest phase of the conflict.

ROANOKE, Va., April 5.—United Methodism today has the unanimous endorsement of the Baltimore Conference of the Methodist Episcopal church South.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

RHEUMATIC PAINS RELIEVED

"I have used Chamberlain's Liniment for pains in the chest and lameness of the shoulders due to rheumatism and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Batavia, N. Y.

THE CORBITT MOTOR TRUCKS

More Power
Than Others
More and Better
Than Others
For The Price

Made In North
Carolina and
Sold and Used
Everywhere

Mr. Truck Buyer, have you seen our Corbett Truck? Notice the specifications and you will at once see that we give more and better for the price than others.

The motor in the One Ton Truck is a Continental Motor and has a bore of 3 3/4 inches. Most of the one ton trucks of other makes have 3 1/4 or 3 1/2 inches bore.

It has Eisemann High Tension Magneto and Stromburg Carburetor, has Multiple Disc Clutch, not leather cone clutch. It has Straight Drive with two Universal Joints, Unit Power Plant.

It has the latest and best Worm Drive Rear Axle, not internal gear drive. Worm drive is acknowledged

to be the best drive in use today and is used on the largest and highest priced trucks made.

The price is reasonable, but, like everything else in the machinery line, is bound to go higher, so we advise you to see us right away and get your order in with us for one of these Corbett Trucks.

Call on us for a demonstration.
